Table 40

DEA1. Summary Table. How far do you agree or disagree with the following statements, if at all?

Base : All Teachers in England only

	a. I feel confident teaching about climate change	b. I feel confident supporting pupils to understand that people have different ways of seeing the world	c. I feel confident that my teaching helps pupils to understand that we live in an interdependent world	d. Schools should prepare pupils to deal with a fast changing and globalised world	e. The current school system prepares pupils to deal with a fast changing and globalised world	f. Thinking about how teaching contributes to making the world a better place motivates me to stay in teaching	g. Schools should prepare pupils to understand how emerging economies, for example, China and India, have an increasing impact on the way we live and work in the UK	h. I feel confident teaching about how emerging economies, for example, China and India, have an increasing impact on the way we live and work in the UK	i. Pupils need to learn both about how global economic issues affect their lives and about global development issues
